UNQUALIFIED OPINION ON FINANCIAL STATEMENTS AND
SUPPLEMENTARY INFORMATION

To the Board of Directors of
MHP Salud

Report on the Financial Statements

We have audited the accompanying financial statements of MHP Salud (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MHP Salud as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 17, 2015, on our consideration of MHP Salud's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MHP Salud's internal control over financial reporting and compliance.

MHP SALUD
Notes to Financial
Statements
For the Year Ended December 31, 2014

NOTE 1 – SUMMARY OF ACCOUNTING PRINCIPLES

a. Nature of Activities

MHP Salud implements Community Health Worker programs to empower underserved Latino communities and promotes the CHW model nationally as a culturally appropriate strategy to improve health.

Our programs provide peer health education, increase access to health resources and bring community members together with health providers, employers and policymakers to create positive changes. Community leaders, called *Promotores* and *Promotoras*, provide the inspiration, direction and vision necessary to build stronger, healthier communities — from within.

We are currently celebrating over 30 years of service and we maintain offices in Florida, Michigan, Ohio, Washington and South Texas. Our grants this year consist of:

Amor Maternal
Tech Assist to Community & Migrant Health Centers & Homeless/Capacity
Building Assistance
Department of Justice-Un Nuevo Manana

Department of Justice - El Arte de Sobrevivir
Colonia Outreach Program
Navigator (2013-2014)
Navigator-Phase 2 (2014-2015)
NUCA
Transforming Texas
First Food Kellogg Initiative
Section 1115 Waiver
Shire Contract
Clannad Summer 2014
Community Catalyst

MHP Salud is funded by government and private grants, as well as contributions.

b. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

- c. Contributions
The Corporation reports contributions in accordance with SFAS No. 116, "Accounting for Contributions Received and Contributions Made". In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. Under SFAS No. 116, contributions are reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration of the time restriction.
- d. Contributed Services
During the year ended December 31, 2014, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Corporation in carrying out its programs.
- e. Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- f. Property, Plant and Equipment
Property, plant and equipment are stated at cost or at their estimated market value at the date of receipt from donors. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Corporation reports expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Expenditures for maintenance and repairs are charged to operations. Depreciation is computed for financial statement purposes on a straight-line basis over the estimated lives of the related assets. The estimated useful lives of depreciable assets range from five to twenty-five years.
- g. Advertising Costs
Advertising costs are charged to operations when incurred. Total advertising expenses for the year ended December, 2014 were \$43,815.
- h. Compensated Absences
Vested or accumulated vacation leave is recorded as expenses and liabilities of those funds as the benefits accrue to employees. In accordance with the provisions of Statement of Financial Accounting Standards No. 43,

“Accounting for Compensated Absences,” no liability is recorded for non-vesting accumulating rights to receive sick pay benefits.

i. Financial Statement Presentation

The Financial Statements of the Corporation are presented in accordance with Statement of Financial Accounting Standards (SFAS) No. 117, “Financial Statement of Not-for-Profit Organization”. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

j. Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

k. Investments

The Corporation elected to adopt SFAS No. 124 “Accounting for Certain Investments Held by Not-for-Profit Organizations” in 1996. Under SFAS No. 124 investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the changes in net assets. These effects are included in changes in unrestricted net assets because the gains and losses are unrestricted. This change had no effect on the Corporation’s financial statements.

l. Interest Rate Risk

While the Corporation does have a formal, Board-approved investment policy, it did not have any investments as of December 31, 2014.

m. Concentration of Credit Risk

The Corporation’s policy limits the deposits in any one-bank institution to their extent of FDIC coverage. This policy does not extend to contributions or donations from the community.

n. Federal Income Taxes

The Corporation is a non-profit organization exempt from income tax under Section 501(C)3 of the Internal Revenue Code. Form 990, the federal information return for exempt organizations is filed annually with the Internal Revenue Service.

o. Disclosures About Fair Value of Financial Instruments

The estimated fair values of the Corporation’s financial instruments at

December 31, 2014 and the methods and assumptions used to estimate such fair values are as follows:

Cash: Fair values approximate the carrying amount because of the short maturity of the instruments.

Due From Other Agencies: The fair value of the receivables approximates the carrying amount, as the origination date was December 31, 2014.

Promises to Give: Fair value approximates the carrying amount. To date the Corporation has not had any grants or contracts reduced.

Other Liabilities: The fair value of the amount due to others approximates the carrying amount, as the origination date was December 31, 2014.

p. Restrictions on Net Assets

Substantially, all of the restrictions on net assets at December 31, 2014 relate to funding from governmental agencies and endowment funds held in trust by others.

q. Cash & Cash Equivalents

The Corporation considers all investment instruments with an original maturity of three (3) months or less to be cash equivalents.

Custodial credit risk refers to the risk that in the event of bank failure, the Corporation's deposits may not be returned to it.

The Corporation's Board approved fiscal policy is to maintain demand and time deposits through local depository banks that are members of the Federal Reserve System.

NOTE 2 – CASH AND CASH EQUIVALENTS

All cash deposits are held at Wells Fargo, Huntington National Bank, and Chase Bank under depository agreements. The Federal Deposit Insurance Corporation (F.D.I.C.) insures deposits of the Corporation up to \$250,000 at each depository institution. All cash funds were secured by FDIC. The carrying amounts of cash & cash equivalents reported on the financial statements approximate fair market value because of the short-term maturities of these instruments.

Cash and cash equivalents as of December 31, 2014 was as follows:

Cash-Wells Fargo	\$ 285,731
Cash-Huntington National Bank and Chase	<u>379,084</u>
Total-Cash & Cash Equivalents	<u>\$ 664,815</u>

NOTE 3 – ACCOUNTS RECEIVABLE – GRANTS AND CONTRACTS

As of December 31, 2014, accounts receivable from grants and contracts was composed of the following:

Federal	\$ 185,820
Non Federal	<u>402,682</u>
Total Accounts Receivable – Grants and Contracts	<u>\$ 588,502</u>

NOTE 4 – TEMPORARILY RESTRICTED NET ASSETS

Net assets totaling \$2,563,039 were released from restrictions by incurring expenses satisfying the restricted purposes or the occurrence of other events specified by donors.

NOTE 5 – PERMANENTLY RESTRICTED NET ASSETS

In 2001 MHP Salud began a campaign to raise endowment funds. In addition to funds sent directly to the Ann Arbor Community Foundation. MHP Salud collected a total of \$4,782 prior to June 30, 2002, which it forwarded to the Foundation. The Foundation agreed to distribute funds annually based on their current spending policy. The agreement between MHP Salud and the Foundation grants the Foundation variance power to redirect the use of gifts or assets to another beneficiary so that the donor's charitable interest may be served in perpetuity. The amount of this portion of the Endowment Fund is permanently restricted and shown on the Statement of Financial Position as Endowment Funds Held by Others.

NOTE 6 –RETIREMENT PLAN

MHP Salud maintains a Tax Sheltered Annuity (TSA) Retirement Plan which is administered by Nova & Associates or Principal & Lincoln Insurance Companies. To qualify for an employer contribution, an employee must complete six months of service and work 1,000 hours. After qualifying and in each subsequent plan year an employee works 1000 hours, MHP Salud will make an employer contribution in an amount equal to 6.5% of their salary earned during the plan year effective Jan 1, 2014. Employees may contribute an additional amount if desired up to the amount maximum designated by law. Employees may choose to make employee salary deferrals into the 403(b) retirement plan from the date of hire in any amount up to the maximum amount designated by law. Employees are fully vested in contributions made on their behalf by MHP Salud. MHP Salud's contributions to the TSA Retirement Plan were \$82,152 for the year ended December 31, 2014.

NOTE 7 –OPERATING LEASE COMMITMENT

MHP Salud is currently leasing office equipment and office space on non-cancelable operating leases MHP Salud's minimum annual lease commitment is as follows:

FYE December 31, 2015	\$38,220
Thereafter	\$0

Operating lease and rental expense totaled \$42,965 for the year ended December 31, 2014.

NOTE 8 – FIXED ASSETS

Fixed asset activity for the Corporation for the fiscal year ended December 31, 2014, was as follows:

	<u>Beginning</u> <u>Balance</u>	<u>Additions</u>	<u>Disposals and</u> <u>Transfers</u>	<u>Ending</u> <u>Balance</u>
Computer Software	\$ 10,000	\$ -	\$ -	\$ 10,000

There were no actual additions or disposals in the current year. Depreciation totaled \$2,000 for the year with an ending accumulated depreciation of \$6,000 and net value of \$4,000.

NOTE 9-INSURANCE

The Organization had general liability insurance and directors' and officers' liability insurance in force throughout the audit period with limits of liability of \$1,000,000 on each.

NOTE 10-EVALUATION OF SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through March 27, 2015, the date that the financial statements were available to be issued.

NOTE 11-NET INCOME (LOSS) BY PROGRAM

The Organization has revenues and direct and indirect expenses as follows on page 14 of the notes:

	Expenses					Net Income (Loss)
	Revenue	Direct	Indirect	Grant Development	Total	
Tech Assist to Community & Migrant Health Centers & Homeless/Capacity Building Assistance	\$ 554,221	\$ 439,630	\$ 114,591	\$ -	\$ 554,221	\$ -

Bill Dario Carrera, Certified Public Accountant

REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

To the Board of Directors of
MHP Salud

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of MHP Salud (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014 and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 17, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered MHP Salud's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MHP Salud's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether MHP Salud's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink, appearing to read 'Bill D. Carrera', with a long horizontal flourish extending to the right.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Independent Auditor's Report

To the Board of Directors of
MHP Salud

Report on Compliance for Each Major Federal Program

We have audited MHP Salud's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of MHP Salud's major federal programs for the year ended December 31, 2014. MHP Salud's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of MHP Salud's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about MHP Salud's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of MHP Salud's compliance.

Opinion on Each Major Federal Program

In our opinion, MHP Salud's complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014.

Report on Internal Control Over Compliance

Management of MHP Salud is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered MHP Salud's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Salud's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

MHP SALUD

NOTES ON ACCOUNTING POLICIES FOR FEDERAL AWARDS YEAR ENDED DECEMBER 31, 2014

1. General
The accompanying Schedule of Expenditures of Federal and Awards presents the activity of all Federal and state Award Programs of the MHP Salud (a nonprofit organization).
2. Basis of Accounting
The accompanying Schedule of Expenditures of Federal and State Awards is presented using the accrual basis of accounting, which is described in Note 1 to the financial statements. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, local Governments and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.
3. Relationship to Federal Financial Reports Basis of Accounting
Amounts reported in the accompanying schedule may not agree with the amounts reported in the related Federal financial reports filed with the grantor agencies because of accruals made in the schedule, which will be included in future reports filed with the agencies.
