

Dinámica – My Needs and Resources

Instructions

1. Use the boxes to write down three things that you do not have but would make your job easier, and three things that you currently have that make your job easier.
2. Then go around the room and share responses, documenting similar responses from participants.
3. Ask participants to add some of the suggestions others filled in that apply to their work and can help support their job.
4. At the end of the dinámica, discuss with participants how sharing ideas and resources with peers can help enhance their work.
